

Matthew R. Morlan

Front-End Developer

✉ mattmorlan@gmail.com ☎ 708-203-2602 📍 Chicago, IL 🌐 matthew-morlan

PROFILE

Front-end developer with 3+ years shipping production-grade digital experiences for enterprise brands at BORN Group. I work across React, TypeScript, Vue, and modern CSS frameworks, move fluidly between tech stacks, and collaborate well with designers and cross-functional teams. I write clean, reusable code and I'm equally effective starting from scratch or inheriting a codebase mid-flight.

ENTERPRISE CLIENTS

Converse | Fiorucci | Ardene | Petrossian | Frame | John Hardy | Raw Supplements | Allure Bridals

PROFESSIONAL EXPERIENCE

Front-End Developer - SFCC & Shopify, BORN Group Oct 2021 – Sep 2025 | Chicago, IL

- Built responsive, component-based UIs in React and Vue, and across Shopify and SFCC for enterprise brands
- Developed reusable component libraries and design systems, collaborating closely with UX/UI designers
- Integrated front-end experiences with REST and GraphQL APIs, third-party services, and headless CMS
- Maintained and extended codebases across multiple client projects, with exposure to varying tech stacks
- Collaborated cross-functionally with designers, PMs, and client teams through review cycles for launch targets

Land Acquisition Specialist, D.R. Horton Jul 2018 – Oct 2021 | Vernon Hills, IL

- Managed acquisition lifecycle for 300+ units at a combined \$10M purchase price, from discovery through close
- Modeled ROI and financial risk to prioritize deal pipelines and support proposals to leadership
- Scoped and drafted LOIs with deliverables, terms, and milestones for leadership and legal teams

FEATURED PROJECT

Fiorucci 🌐, *Salesforce Composable Storefront Migration* Jun 2022 – Dec 2022

- Won Gold, Storefront/E-Commerce at the dotComm Awards 2022 for excellence in UX and digital commerce
- Led technical discovery and scoping for SiteGenesis to Salesforce Composable Storefront migration with PWA
- Built reusable component library and mobile-first UI, improving performance and scalability
- Served as primary client contact, maintaining clear communication and on-time delivery milestones
